

## Canson® Infinity Edition Etching Rag II 310 gsm - Matte

Utilising the latest proprietary inkjet coating, **Canson® Infinity Edition Etching Rag II** offers deeper blacks and an extend colour gamut, whilst retaining the aesthetics of the original paper. Made from 100% cotton, this fine art paper has a soft fine grain texture, reminiscent of the original genuine etching and printmaking papers. Edition Etching Rag II has a white tone achieved without the use of artificial Brightening Agents, also called OBAs.

Produced at the renowned Canson Mill in Annonay, France Edition Etching Rag II offers a high paper shade stability and a resistance to aging by using natural minerals. The improved inkjet coating offers a better image performance with a higher black density and colour gamut.

This museum-grade paper provides deep blacks, excellent image sharpness, optimum colour graduation and its unique slight grain makes it ideal for printing detailed work, colour photographs and exceptional black and white portraits.

Edition Etching Rag II
